

學生請假審核/點名系統登入綁定說明

老師好，您若將學校 gmail 綁定至帳號後，即可直接以 google 帳號登入「學生請假審核/點名系統」無須在每次登入時輸入帳號密碼。

教學如下：

一、首先，您必須先用您的「初始帳號」登入第一次

The screenshot shows the e-School login interface. On the left is the e-School logo and a photo of a university building. On the right is the login form with fields for account number (113006) and password, and a CAPTCHA field containing "5644". A red circle highlights the password input field.

二、接著進入系統修改您的信箱

The screenshot shows the e-School homepage after logging in. It includes the e-School logo, a photo of the university gate, and various navigation icons. A red arrow points from the "basic information" icon on the top bar to the "我的基本資料" link in the sidebar menu under the "basic information" section.

三、爾後您即可直接使用 Google 登入，免輸入驗證碼，也無須再定期更新密碼。

The image is a composite of three parts. On the left is the logo for the e-School platform, featuring a stylized camera icon and the text "e-School 多功能智慧校園平台". In the center is a photograph of a school building with a red sign that reads "國立成功大學附屬南工" (National Cheng Kung University South High School). On the right is a screenshot of a login page titled "登入帳號". The page includes fields for "帳號" (Account) containing "113006", "密碼" (Password) with a masked entry, and "驗證碼" (Captcha) showing "5644". Below these are "登入" (Login) and "忘記密碼" (Forgot Password) buttons. A prominent red oval highlights the "Google 登入" (Google Login) button at the bottom of the page.
